Tax File Number Notification

Important Tax Information for all Citibank Account Holders

Quoting your Tax File Number

You do not have to quote your Tax File Number or claim an exemption, but if you do not, it could result in tax being deducted at the top marginal rate.

Joint accounts

If you operate a joint account you need to quote a tax file number for each joint account holder to prevent tax being deducted from your interest.

Claiming an exemption

Some people are exempt from quoting a Tax File Number. If you wish to claim an exemption, please complete Section 2.

Non-Residents of Australia for taxation purposes

By supplying your overseas address and completing Section 3, Citibank will deduct withholding tax at the rate of 10% from all interest payments.

More Information

If you require more information please contact CitiPhone on 13 24 84 or contact the Australian Taxation Office.
