

Apply for your Visa Debit Citicard

A new and exciting option that makes your Citicard more convenient than ever before.

With the addition of Visa Debit access to your Citicard, you'll be able to access your funds wherever Visa is accepted: at more than 23 million retailers internationally, at over 810,000 ATMs worldwide, online and over the phone.

For example, with Visa Debit you'll be able to use your account to book travel on the Internet, pay utility bills over the phone, and in many other new and convenient ways. Of course, you'll still be able to access your funds easily via Cheque, EFTPOS, ATM, Funds Transfer and BPAY[®] too.

With Visa Debit, your Citicard can do it all. It costs you nothing to add Visa Debit to your Citicard. If you'd like this kind of convenience, submit your request now and we'll arrange your new Visa Debit Citicard to be sent to you when it becomes available.

After you've completed this form, you can return it via post or fax:

Declaration

Please send me and any authorised signatory on my account a Visa Debit Citicard. I accept that when the Visa Debit Citicard is activated, it will replace the Citicard and that there is potential additional risk of unauthorised transactions as this card may be used for a wider range of transactions than a Citicard (including telephone, Internet and other merchant transactions).
